

Antibacterial Wipes

Tarabay General Trading is delighted to offer you Antibacterial Wipes. Whether you're working in a gym, healthcare clinic, or even a grocery store, you are bound to have one area that gets more traffic than the rest of your facility. And as we well know, any place that sees a lot people is bound to see even more germs. So, how can you keep your guests healthy and protected from harmful bacteria like MRSA, E coli, or H1N1? Simply reach for antibacterial wipes. Effective and EPA Approved. These antibacterial gym wipes are EPA-registered and free from bleach, alcohol, and phenol. You can use them on all the non-porous surfaces in your fitness center and see results, with up to 99.9 percent of germs and bacteria gone in as little as 15 seconds. Our antibacterial wipes leave your facility sanitized, with a fresh clean scent that your guests will love.
