

Offering Best Wet Towels Customize Yours Today

Tarabay General Trading is a distributor and supplier of refreshing scented wet wipe towel individually packed & custom printed. Refreshing towels made of cotton, microfiber, elastic or nonwoven mesh/plain.

Our disposable moist towels are processed by fully automated machines and have a shelf life of 12 – 18 months if kept in suitable conditions. Each towel is individually wrapped for its hygiene freshness. All our disposable towels soaked in gentle hypo-allergenic, alcohol-free cleansing solution with different fragrance's and sizes to choose from. Also available with or without antibacterial ingredients. Unlike paper tissues, our refreshing towel leaves no residue while or after using. You will save approximately 4 – 5 pieces on Napkins per customer and give your customers a more hygienic way to clean their hands before and after meal. In this most competitive industry, outstanding service has become an integral component of Airline Travel and Cruises, Restaurant, Hospitality, Travel, Healthcare and Wellness industries particularly with new players constantly emerging and expanding.
